--	----------

PROJECTS

Spotify Wrapped Personal Project • Analyzed 8753 streaming records using PostgreSQL to uncover listening patterns • Built an interactive Tableau dashboard featuring KPI cards, listening activity heatmaps, and daily streaming charts	Aug 2026
Netflix Content Performance Analytics Business Analytics Course Project • Retrieved and processed 4 datasets (1000+ records) via REST API using Bruno in Visual Studio Code, converting nested JSON files into structured CSVs for analysis • Cleaned and validated data in Excel, resolving issues including nested JSON structures and incomplete data • Built an interactive Power BI dashboard featuring KPI cards, scatter plots, donut charts, and slicers to visualize viewership trends, content popularity, and market share per content type • Derived insights into audience watch behavior by analyzing correlations between content type, view counts, and hours watched	May 2026
Deloitte Australia Data Analytics Job Simulation on Forage • Completed a Deloitte job simulation involving data analysis and forensic technology • Created a data dashboard using Tableau • Used Excel to classify data and draw business conclusions	Apr 2026

SKILLS

Technical: SQL, Tableau, Microsoft Excel, PowerPoint, Access, Power BI, Python, R | **Language:** English (Native), Mandarin Chinese (HSK4)

EXPERIENCE

University Board UB Program Assistant • Selected through an interview process to join the University Board in the planning and execution of campus events • Collaborated with coordinators to brainstorm event concepts, develop activity plans, and assist with event logistics • Contributed ideas and feedback during planning meetings to help enhance student engagement and event attendance • Provided customer service and support to students attending campus events	Feb 2026 – May 2026
Lumpkin College of Business and Technology (Eastern Illinois University) Dean's Student Advisory Board Member • Planned and executed 1-2 department events per semester to drive student engagement across Lumpkin College • Served as a liaison between the student body and the Dean, surfacing concerns and recommending solutions that informed department policy • Pitched initiatives to enhance the student campus experience	Apr 2024 – May 2026
Amazing Fatman Productions Social Media Manager • Managed day-to-day social media operations for a short-form video production company across TikTok and Facebook • Conducted market research to identify optimal posting schedules and content tagging strategies to maximize audience reach • Grew brand visibility by applying data-driven insights to content distribution decisions	Feb 2024 – Apr 2024
StarTimes Finance Shadow • Supported the Finance Manager with daily operations, gaining exposure to financial workflows in a multinational media company • Assisted in preparing for a client meeting involving a potential joint venture, supporting pre-meeting arrangements and contributing to coordination efforts • Bridged communication between Mandarin- and English-speaking stakeholders, ensuring clarity across language barriers	Jul 2023

VOLUNTEER WORK

Coles County Animal Shelter • Participated in an animal shelter visit as a Delta Sigma Pi member • Assisted in caring for 10+ kittens, prioritizing their socialization and exercise	Sep 2025
Rotary Club of Abuja CBD • Participated in several humanitarian outreaches to villages and schools • Distributed food, water, and hygiene products to over 200 village residents and students	Nov 2020 – Nov 2021
